Full Service Architectural/Engineering Design Firm Announces Two New Branch Office Locations

SAGINAW, MI: William A. Kibbe & Associates (WAK), an employee-owned professional design firm headquartered in Saginaw, Michigan's Great Lakes Bay Region, announces the addition of two new Michigan offices in Grand Rapids and the Greater Lansing area. The Grand Rapids office opened in the spring of 2014, while the Lansing area office will open August 1, 2014.

The firm was founded in 1981, and is a trusted provider of architectural, engineering, surveying, energy conservation and professional design services to a wide range of commercial, educational, industrial, government, and health care institutions. Kibbe employs approximately 35 professional engineers, architects, surveyors, and designers and also specializes in investigative engineering services to support industry professionals in the fields of insurance, law, government, and construction.

WAK's technical departments are run by vetted experts and are overseen by President Daniel J. Miller, P.E., S.E. who has been an integral leader for the company for 33 years. Miller commented, "the Grand Rapids and Lansing area offices accelerate our vision and will provide more points of contact for clients, allowing our team to better serve a range of needs across the state and beyond. We're excited about this new growth and the opportunities that our additional offices bring."

WAK's innovative use of BIM design software has made them a recognized leader in the region for clients seeking complex design projects. The firm's respected team works closely with contractors and developers to ensure the client's vision is realized, resulting in a superior end product. Built on decades of experience, WAK's commitment to excellence is recognized in everything from small renovations to multi-million dollar facility overhauls.
