

Team One Credit Union Parking Lot

Project Profile

44 Car Staff Parking Lot For Team One Credit Union Saginaw, Michigan

Engineer: William A. Kibbe & Associates, Inc.
Owner: Team One Credit Union
Contractor: Serenus Johnson
Project Type: New Parking Lot

Project Information

Project Size: 44 Car Parking Lot for Employee Parking
Completion Date: August 2003

William A. Kibbe & Associates, Inc. provided complete survey and civil/electrical design services for this new 44 Car Employee Parking Lot located in Saginaw, Michigan.

The project included connections to the existing combined sewer system at one (1) location, two (2) on-site catch basins, sidewalk and drive approach. Project also included parking lot lighting design.

By working closely with the owner and contractor, the project was completed on time and within the project budget. This project was completed using the design / bid / build delivery system.
